

MARDEN PLAY SCHEME

35: Registration

Marden Summer Play Scheme is open for children who have reached their 5th birthday by 1st September the previous year and up to 12 years of age (Year 7).

The scheme opens at 9.30am and parents can decide whether children can attend until 12.30pm or 3.30pm.

Morning registration is from 9.30am to 9.45am and gates will be closed and locked following registration. If a child is due to arrive after this time notification to the Scheme Manager or the Parish Clerk **MUST** be given otherwise the place may be given over to another child following the end of registration.

Any parent wishing to register their child once the scheme has started should contact the Parish Office (01622 832305 / clerk@mardenkent-pc.gov.uk) to ensure spaces are available and to complete a registration form.

Criteria for Registration

Due to the popularity of the scheme we are having to prioritise children being registered as follows:

From when registration opens: This will be on a first come first served basis for the following:

- Children living in Marden
- Children attending Marden Primary Academy

From the first week of July the following will be accepted, again on a first come first served basis:

- Children living in parishes bordering Marden
- Children attending schools in parishes bordering Marden

The week before the scheme commences:

- Any other registration received from outside of the above, but within Maidstone borough.

If days become full a reserve list will be held following the above criteria and families will be informed of spaces as and when they become available on a first come first served basis.
