Marden Parish Council operates under General Power of Competence since adopted on 7th May 2024. Minute Reference 012/24.

In the absence of both the Chairman and Vice-Chairman Cllrs elected Cllr Tippen to be in the chair for this meeting.

038/26 MINUTES OF THE PREVIOUS MEETING

Cllrs received, and agreed, as true records the Minutes of the Annual Parish Council and EFCM meetings held on 12th, 19th, 26th May and 2nd June. These were duly signed by the Chairman.

039/26 IDENTIFICATION OF ITEMS INVOLVING PUBLIC SPEAKING

Members of the public were in attendance for item 041/26 – Employing a Planning Consultant.

The Chairman proposed that this item be brought to the beginning of item 041/26. All Cllrs in agreement.

The meeting was adjourned for the following items:

PUBLIC FORUM

It was agreed that members of the public would speak at item 041/26 as detailed above.

EXTERNAL VERBAL REPORTS (if in attendance)

County Councillor Report – not in attendance

Borough Councillors Report – nothing verbal to report.

Police – not in attendance

Before the meeting was reconvened the Chairman welcomed comments from the residents regarding item 041/26 Employing a Planning Consultant.

Residents felt that, although the Parish Council had submitted a detailed response felt that assistance from a planning consultant was needed to offer expert advice. The land in question at Plain Road was not in Maidstone Borough Council's Local Plan and a technical overview to look at the transport assessment would be welcomed.

The meeting was reconvened to discuss item 040/26 onwards.

041/26 PARISH MATTERS

Employing a Planning Consultant

Cllrs considered the comments raised by residents and the merits of employing a planning consultant for the proposed development at Plain Road. Questions were raised as to how much it would cost and where the money would come from as no budget had been put aside for this financial year. Cllrs were all in agreement that the Clerk would investigate costs and speak with other parish councils who had instructed planning consultants. This would be reported back to a future meeting.

The 5 members of public then left the meeting.

Cllrs received the Clerk's Report for May. Noted.

An email had been received today outlining the work planned for the allotments and the timescale for the work is estimated at 8 to 10 weeks. There seemed to be some discrepancies in this compared to the MPC specification and it was agreed that Cllrs Rabot and Tippen would look through both documents and report back.
