

Marden Neighbourhood Plan

Regulation 14 consultation - 2 March 2026 to 17 April 2026

MINOR CHANGES

Many of the changes made to the revised Marden Neighbourhood Plan (MNP) are minor changes.

- These are changes which do not materially affect the policies in the plan
- Mainly factual corrections
- Improving clarity
- Updating detail
- Amending references to supporting documents

These changes do not require examination by an inspector or need to go to a referendum.

There are too many minor changes to list out separately, but you can find them on the attached list.

It is important for you to say whether or not you agree that these changes are minor. All the material changes are separately listed for you to comment.
